Dear Supporter,

**“Reflection and Celebration of Life” and Awareness Event**

We would like to invite you to an event to remember and reflect on the lives of all those in Derby and the East Midlands who have lost their lives to Mesothelioma, at the same time raising awareness to the dangers of exposure to asbestos.

On **Wednesday 29<sup>th</sup> February 2012 at 7.00pm** we will illuminate Derby Cathedral (18 – 19 Iron Gate, Derby) with the names of 100 people in Derby and the East Midlands who have tragically lost their lives to the dreadful asbestos related cancer – Mesothelioma. At the same time we want to send out the message that ***all asbestos is dangerous.***

We hope to attract media attention with this commemorative way of remembering those who have lost their lives to asbestos-related cancer, whilst at the same time hoping that we can make a difference by preventing future loss of life.

The projection will be switched on at 7.00pm, after which we will proceed into the Cathedral for short speeches and remembrance prayers lead by a local Industrial Chaplain. We hope you will then join us for tea, coffee and a buffet.

The Cathedral will be illuminated with the message and names for 7 days.

I should be very grateful if you could please distribute details of the event around your colleagues.

Please contact me by telephone or by completing the attached form to give me an indication of the number of people likely to attend.

We look forward to seeing you.

Yours sincerely,

Joanne Gordon
